

# Sauce Works!

Packed full of tasty ingredients, our sauces are full of flavour and have been family favourites for over 20 years.

Smooth in texture and packing a tasty punch, they bring any meal alive thanks to the love, care and expertise that's crammed into every recipe....*that's why 'Our Sauce Works'*.

We've got a huge range of best-selling sauces, dips and marinades, all of which are stirred up in SW Towers in the County Down countryside, in the village of Crossgar.

We can work with your company to produce **signature** and **own-brand** products so whether you're in the retail or catering market, our sauce will work for you!
